

Merry-Go-Round

26 Pieces

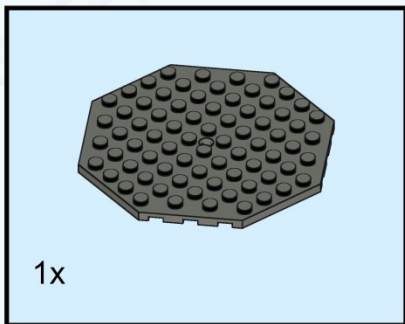

This image shows a LEGO Technic assembly, likely a component for a model typewriter. The assembly is built on a base of grey Technic bricks and pins. A central black hub is connected to several grey axles. The assembly is composed of various grey Technic parts, including pins, axles, and connectors, all arranged to form a functional mechanism. The text '26 Pieces' is visible in the top left corner, indicating the total number of parts used in this assembly.
